corner.

Row 2-3: Sc in each stitch around repeating the corners described above.

each corner.

next st. Repeat from * around working 5 dc in each corner.

(You can make the border wider by repeating more rows 2-3 or 4-5 until you
get the width you desire. Or you can make a border not as wide by just
crocheting Row 1 and Row 6. This is an easy border to use for any design.)
